NOTEWORTHY MENTION:

We often have live music on our deck every day during the summer. They play outside on the deck on the other side of the Pub wall. Because of this, you will be able to hear them clearly from the Pub. If you are looking for a fun night with guests to enjoy music and celebrate, this is a great spot to do so. If you are looking for a spot that is quieter and more intimate, this might not be the best option.
